THE SPACES

Whatever your vision, Edenwood Place has a space to compliment. We offer a range of beautiful rooms, terraces and patios.

The Orangerie

This light and airy space allows you to enjoy the beautiful views across the North Downs, whatever the weather.

Vintage and industrial pieces sit amongst luscious foliage and miniature orange trees. This area is suitable for drinks and canapés for 30 guests or intimate seating for around 20 guests.

The Viewpoint Terrace

Featuring a summer house, a tiki bar area and fire pits, alongside stunning panoramic views from three interlinked terraces.

This extraordinary space lends itself to partying under the stars for over 100 guests - or simply a place to relax and unwind.

The Main Space

Our main space has an industrial theme, with statement walls showcasing a beautiful rusted effect.

A spacious area with dark wood floors, this room is perfect for dancing and can accommodate a band. An adjoining marquee doubles the capacity to over 100 guests.

The Terrace Room

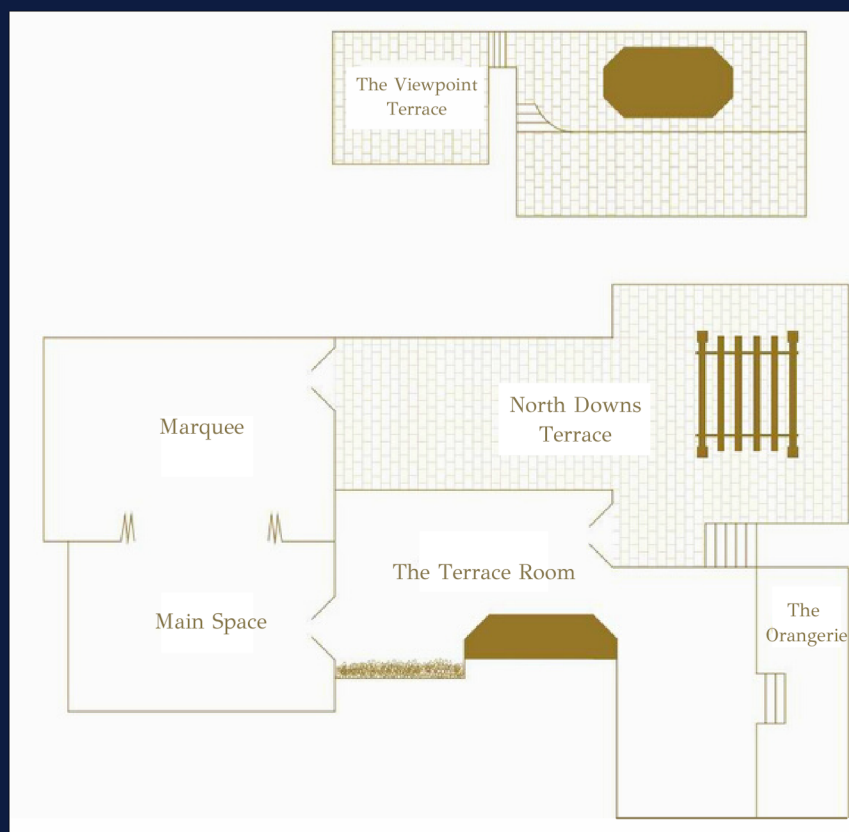

Our beautiful bar area is perfect for hosting a party. Featuring blue and white panelling, sea green paint and a foliage feature wall covered with prosecco glass holders.

The room alone can comfortably accommodate over 100 guests and also has some of the best views from inside the venue.

North Downs Terrace

Available for outdoor events, the North Downs Terrace's gorgeous view speaks for itself.

The outdoor patio boasts olive trees and access by spiral stairs to a viewing platform; an idyllic location for enjoying cocktails or a BBQ and watching the sun go down behind the pergola.
